

Design a Soaper Hero Competition: 3-7 year olds

Lifebuoy has been championing the importance of hygiene for more than a century. We recognise now, more than ever, the vital role keeping our hands clean has in the fight against germs.

We are always on the lookout for fun ways to encourage good hand-washing in children and in our latest move to motivate back-to-school handwashers over the country we are launching an exciting new Design a Soaper Hero Competition. Beat winter bugs in your school by exploring our fun range of teaching resources nationalschoolpartnership.com/initiatives/soaper-heroes and encouraging children to enter our competition, creating the next Soaper Hero, ready for germ-fighting action.

The brief

We are inviting young children to help create a brand new member of the Soaper Hero team to help Bish, Bash and Bosh in the fight against hand germs. Someone who will help keep us safe this winter by inspiring everyone to wash their hands and fight winter bugs. Winning entries will see their character join the Soaper Hero crew in exciting future hand-washing campaigns.

What you need to do

Children are invited to design and name a new Soaper Hero character companion for Bish, Bash and Bosh, who will help motivate people to wash their hands.

Designs will be judged by a celebrated illustrator on:

- 1. Creativity:** does the new Soaper Hero stand out from the rest? Is it a bit different and original?
- 2. Does it fit in?:** while the new Soaper Hero will need to stand out, they also need to look like they will fit right in with the germ busting team of Bish, Bash and Bosh.

The prizes

One winner will be selected to receive a teacher prize, a pupil prize and a school prize.

Teacher prize: €50 Dunnes voucher.

Pupil prize: An art and craft box with colouring pencils/paint, sketch book and lots more - worth over €50. Their character to feature on Lifebuoy Soaper Heroes materials in the future.

School prize: A years supply of hand-sanitiser and other hand hygiene products from Lifebuoy.
