Dear Parents and Carers,

I am writing to inform you that unfortunately Mrs Haddock will be having surgery on Friday and will not be well enough to be back in school until at least Monday 11th March. However, this is obviously dependent on her recovery time after her surgery.

Please be reassured that your children will still receive the same planned curriculum which Mrs Haddock would have been teaching. However, this will be delivered by our very experienced Level three teaching assistant, Mrs Kimmitt, or a supply teacher. We always request a supply teacher who is known to our school and make every endeavour to ensure it is a supply teacher whom the children are already familiar with and of course Mrs Kimmitt will also be there to ensure continuity for all children.

We all send our best wishes to Mrs Haddock for Friday and wish her a speedy recovery afterwards.

If you have any queries, please do not hesitate to contact me.

Kindest regards,

Miss K Martin
Headteacher.
