Safety in Action in Hastings for Year 6 pupils

Dear Parents and Carers,

Rye Community Primary School is invited to take part in the highly successful "Safety in Action" project, where children actively participate and learn how to deal with dangerous situations in a safe and controlled environment.

East Sussex Fire and Rescue, Sussex Police, Ambulance Service, Southern Rail and others are all working together to teach children about safety and crime prevention.

Participation in this event will support the children in providing high quality PSHE education with the different risk scenarios, supporting concepts and skills identified within the PHSE Association's Programme of Study.

Each child taking part will receive a participation certificate and information relating to safety issues.

The session will take place at Bohemia Road Fire Station, Bohemia Road, Hastings, TN34 1EX on Friday 30th June. The children will be leaving school just before lunch and will be returning before the end of the day.

Therefore, the children will need to bring a packed lunch with them that day. If they normally have Free School Meals, then they will be provided with a packed lunch, if you indicate this on the reply slip below.

The cost of the trip is £8. Please make payments via ParentPay; this is the same platform we use for booking and paying for school meals. If we do not receive enough payments, the trip may not go ahead. If you can't afford to contribute the whole amount, please pay whatever you can afford; it does all help with covering the costs.

Date	30 th June 2023
Time	During the school day
Clothing	School uniform
Cost	Voluntary contribution of £8.00

Kind regards,

Miss Brunton
