

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

The Education Funding Agency (EFA) sends academies, free schools and CTCs their PE and sport premium funding in 2 separate payments.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

Please click on the below link for further information.

Resources

Improved resources for the teaching and learning of PE, allowing children to take part in high-quality games and sport.

Purchasing of high-quality resources for after school and extra-curricular clubs and lunch time activities.

Staff

Changes to timetables have allowed staff to run lunchtime clubs, increasing children's engagement and involvement in PE and sporting activities, improving their personal well-being and health. This has had an impact on positive behaviour.

Swimming Tutor

Provision of professional Swimming Instructor for Years R, 1, 2, 3 and 4 classes throughout the school year.

Each class has a term of 1 hour sessions with a qualified swimming tutor ensuring children are comfortable and confident in water.
